BSA Medical Form Information

A current BSA Annual Health and Medical Record is required for all participants at camp. **All participants must have a completed part A, B, and C.** A form qualifies as valid through the end of the 12th month from the date it was administered by your medical provider. For example: a physical administered March 3, 2020 would be valid until March 31, 2021.

You can find the current BSA Annual Health and Medical Record at the National BSA website at:

<http://www.scouting.org/scoutsource/HealthandSafety/ahmr.aspx>.

Christian Science faith members must have a written statement from their practitioner attesting to their health if they choose not to have a physical exam.

Request for religious exemption from Medical Care and Treatment must be completed on form 680-452 (available upon request).

Please Note: Mountain Mesa Hospital requests seeing a camper's medical insurance card (front and back) before providing medical attention. We strongly suggest that you attach a photocopy of each person's medical card to his or her camp medical records.
