

Whitewater Rafting

Lickety Split

\$53 PER PERSON

Before your river trip, a Sierra South professional river guide will provide you with a trip overview, paddling gear and a paddle talk.

Then it's anchors away for three miles of jam-packed action on Kern River rapids such as Little Mama, Big Daddy, Straight Shot, Freight Train, and Ewings.

Lickety Blaster

\$79.50 PER PERSON

This is our most popular trip. If you're itching for a longer Kern River whitewater escapade, try our Lickety- Blaster. First, "get your feet wet" on a Lickety-Split run.

Then, head back up river once more to put your newly honed whitewater skills to the test on a second Lickety Split run.

Full Day Merit Badge

\$143.10 PER PERSON

For a whole day of whitewater fun, try the best of both worlds! Come rafting and inflatable kayaking all in one day.

Enjoy a half-day of rafting and then after lunch enjoy another half day on the water in inflatable kayaks.
