Dear Webelos Leaders and Parents,

It is our pleasure to invite you to the most exciting Webelos summer camp experience ever conducted at Camp Whitsett. Your Webelos will not only enjoy the beautiful facilities, complete complex advancements and enjoy the outdoors as Lord Baden Powell had envisioned.

Resident Camp offers an exciting and rewarding program not only the Webelos attending but to the adult leaders as well. Your role as a leader will at times be the most challenging but rewarding one at camp. You will feel the Scouting spirit come alive, right before your eyes, at Camp Whitsett. You will find yourself laughing, singing, and playing right along with the Scouts. Our staff is trained to provide an exciting, action-packed program, as well as make your stay as comfortable as possible.

This guide will help you understand the finer details of the program, answer some of your questions and concerns, and prepare you for an awesome week of Scouting fun!

We will be having a leader orientation shortly after your arrival and another midway through the week. Your input is important to running an effective camp and we invite you to attend these meetings as your suggestions are essential to improving our camp and programs.

We ask that folks bring proof of full vaccination or a negative COVID test 72 hours prior to arrival. Verification can be attached to your medical form. In addition, Units should be doing daily temp screenings and have an assigned COVID monitor. At this time we are asking that folks wear masks at all times with the exception of eating, sleeping, dining or when outside and 6 feet away from others.

So, get ready to travel to a land of rugged beauty! If you have any questions, please do not hesitate to call Camp Whitsett at (760) 376-6469.

See you at the Camp Whitsett Webelos Summer Camp!

# PROGRAM

## **Theme:**

Saddle up, and join us for a fun filled Wild West week of adventure! Participants are invited to dress in costumes with the staff!

## **ADVANCEMENT:**

Having Scouts advance is a very important part of a Scout's career in Cub Scouting but is typically not the primary focus of a Webelos Summer Camp. There are some advancements that can only be done in a Summer Camp experience and so we offer the below list to show which requirements might be completed by the end of Summer Camp. All requirements below will be offered for completion to the Webelos while in attendance.

Because of the new program change we will be offering both parts of the old program for webelos who need it and parts of the new program for those who need it.

## **ADVANCEMENT OPPORTUNITIES:**

First Responder: 1-5

Stronger, Faster, Higher 1-2 and part of 3,

Scouting Adventure 1, 5, 6,

Aquanaut 1-5, 6, 7, 9.

Art Explosion 1, 2, 3.

## **CAMPFIRE:**

You ask a long time Scouter about what they remember from their Summer Camp experience in days gone by and they are sure to reminisce about campfires. This is a wonderful time when you will get to meet the staff and be entertained as we perform skits and songs. Although we are under fire restrictions this year and cannot light a real fire, we'll enjoy our gathering under the warm glow of the Sierra sunset over Lake Ida!

## **THE CAMP STAFF:**

A true summer camp experience requires a truly exceptional camp staff. These dedicated members are of the top caliber and trained to run your programs with professionalism and creativity. Our staff is excited to have you at camp and we are there to make your experience a most enjoyable one.

Over the week, our staff will get to know you as you will get to know them. They are there to lead games and activities for the Scouts, make sure your expectations are met and exceeded, and to generally help leaders however they can. If you have any questions or any issues, do not hesitate to ask a staff member for help – they may not be able to help you, but they can quickly find someone that can.

A member of our staff, called a Troop Guide, manages your campsite area. This individual plans, creates and supervises the staff to run the programs for your group. Your Troop Guide is there just for you! Feel free to approach them at any time to talk about your experience, share any

issues that may arise, or just to chat. They will also make sure advancement requirements are met.

The Program Director will work hard to make sure that each area is successful in providing a quality program and will also lead exciting activities while the entire camp is together. The Camp Director is there to make sure the every operation of camp is as successful as possible, including managing the staff, meeting food needs, ensuring safety in camp, and working with leaders in creating a quality experience.

## CAMPING FACILITIES

### CAMPSITES:

**\*Any one registered after 4/6/22 will need to bring their own tents.**

Each Den will be assigned to a specific campsite area where the Den can tent together. Camp Whitsett will provide two-person canvas wall tents that include cots and mattresses; no indoor accommodations will be available. Remember that Adult Leaders cannot sleep in the same tent as Scouts other than their own child. Scouts should have a buddy of the same gender for the week or will be assigned one upon arrival at Camp as their tent mate. This is a great exercise to get the Scouts ready for the usual sleeping arrangements seen at most Scouts BSA Summer Camps.

### FOOD SERVICE:

All meals are served at the Big Top by our food service provider. Grace will be said before all meals and you'll have plenty of opportunities to warm up your vocal cords with some great camp songs. We are committed to providing meals with the proper nutritional values. We will provide three meals a day for full days at camp, but your first meal on the first day will be lunch. **If you have campers with food allergies, religious, or other special dietary requirements, please complete our [Special Request Form](#).**

### BUSINESS OFFICE / ADMINISTRATION:

The camp Business Office is connected to the Trading Post. At the camp office, you can send and receive mail, get copies of schedules and maps, sign in and out of camp, and locate any camper or leader – our camp Clerk is available to assist you with any administrative needs that might arise during your stay. Adult Leaders are welcome to relax on the Porch of the Trading Post to take a break, chat with our staff, or enjoy a snack!

### TRADING POST:

We invite you to come enjoy our Trading Post located right in the heart of camp. The Trading Post offers a variety of things such as: Camp T-Shirts, patches, craft items, camp souvenirs, camp supplies, candy, snacks, soda and juice. We also have a variety of other supplies, clothing, cameras, batteries and more. The hours of operation will be posted at camp. The Trading Post is able to take Visa and MasterCard in addition to checks and cash.

# GETTING READY FOR CAMP

## **PACK LEADERSHIP RESPONSIBILITIES:**

We would like to thank you in advance for all that you will do before and during camp to ensure that the Scouts have a great time. Parents and Pack leadership will share in one of the most unique experiences of their lives. You are vital in the operation of Webelos Summer Camp.

In accordance with BSA Youth Protection policies, there must be one adult leader for every five scouts and a minimum of two leaders for each campsite group in Camp. We do allow adult/webelos partners to register individually but we strongly advise groups to sign up as Packs or Dens, otherwise those who register individually will be assigned to another currently registered group.

We ask that the Den/Pack assist in clean up at meal times and in the program areas; this is a great service to camp. We encourage you to talk to your Activity Director to choose the service project that will be available to you and your Scouts. These projects provide a great opportunity for you and your Pack in helping us keep the camp looking great and providing a quality camping experience for future camps.

As stated before, Summer Camp requires one adult for every five scouts, with each group having a minimum of two adult leaders. However, you are free to rotate leaders or parents on a prearranged schedule to accommodate those that cannot stay all four days and give all adults a chance to experience camp with their sons. Please make sure your Pack/Den's leadership covers all hours of the day and night. Please be sure that all visitors and new adults arriving at camp check in with our Camp Office Manager at the Business Office.

## **CAMP POLICIES AND PROCEDURES**

### **Medical Exams and Procedures:**

All campers and adults staying overnight must bring a completed Annual Health and Medical Form to camp. Note Parts A, & B are required. Make a copy of all medical forms for future use. A parent or guardian must sign all Cub Scouts' Health and Medical Forms and be dated within a year prior to camp.

Prescription and non-prescription medication: All medication, prescriptions and non-prescription, brought to camp by campers and leaders are REQUIRED to be secured and locked in the Camp's Health Lodge. This may seem too strict for adult over the counter medication; however, if a child consumes medication that is not meant for them, it has deadly potential. There will be certain exceptions for life saving medications to be carried at camp. This decision will be made during the medical exam given by our health officers. Medications will be available for distribution following each or at other times arranged with the health officer.

MEDICATION MUST BE IN THE ORIGINAL CONTAINER and contain the following information:

- |                                  |                       |
|----------------------------------|-----------------------|
| 1. Camper's Name                 | 4. Date Prescribed    |
| 2. Name of Prescribing Physician | 5. Name of Medication |
| 3. Prescription Number           | 6. Directions for Use |

We have a qualified medical staff that is on duty at all times. A recheck of your medical form is required for all campers on the first day of Summer Camp.

### **Visitors and Late Arrivals:**

All campers and leaders arriving at camp at some time other than check-in must register at the Business Office located near the Big Top and get a camp ID bracelet. It is also important that any leader being replaced checks out. We must know who is in camp at all times. Everyone in camp will be given an ID bracelet to be worn at all times.

All **visitors** must sign in and sign out with the Camp Clerk at the Business Office and get a camp ID bracelet. Any visitor who has not registered may be asked to leave camp. It is important for safety that we know who is visiting our camp and when. Visitors who intend to eat a meal at camp must purchase a meal ticket at the camp office. Meals may be purchased at a rate of \$8 per meal. While we encourage every Scout to experience Summer Camp in its entirety, any child that needs to be released early must have an "Early Release Form" filed at the beginning of camp. If there is to be an emergency release then a parent or guardian must be the person picking up the child and must show a picture ID. Any emergency release should be made known to the Camp Director as soon as possible and before the youth leaves the camp.

### **Emergency Procedures:**

A siren system can be heard throughout camp to alert campers and staff of an emergency. In the event that the siren is rung all campers should stop what they are doing and calmly proceed to the parade ground. In the case of an emergency, staff is trained to respond only to the Camp Director, or in their absence, the Program Director. We ask that each adult leader adhere to the instructions given by the camp staff.

### **Mail and Telephone Service:**

Mail is always encouraged at Camp Whitsett. Campers love to receive a letter from home. Mail service usually takes two days; please consider this when getting a letter prepared. The envelope should include:

Scout Name  
Webelos Camp, Pack #  
Camp Whitsett  
HCR 1, Box 105  
Kernville, CA 93238

Some parents prefer to send mail along with the camp leader to be distributed throughout the week. These items can be dropped off at the camp office and will be delivered on the appropriate day during the evening camp "mail call".

**The emergency telephone number at Camp Whitsett is (760) 376-6469.** This phone is staffed during program hours. Scouts can make emergency outgoing calls when accompanied by one of their adult leaders. Please note that cell phones do not work while in camp.

### **Parking :**

In accordance with BSA policy and safety regulations, **PERSONAL VEHICLES ARE NEVER PERMITTED IN CAMP BEYOND THE DESIGNATED PARKING AREA.** However, a handicap accessible pass will be provided upon request at the clerk's desk. The parking lot is clearly marked and just inside the camp entrance. Be sure to always follow the instructions given at camp while parking and back-in your vehicle to comply with the fire code. Only emergency and maintenance vehicles will be allowed to park outside of the designated parking area and all others will be immediately towed. The camp staff will help haul gear to your campsite upon arrival to camp. This policy is for the safety of all campers. Please make sure parents who might be visiting camp during the week are aware of this important policy. We appreciate your cooperation in parking only in designated areas.

### **Uniforms:**

You will notice that our camp staff sets a good example by wearing their uniform correctly and with pride. We require all Scouts to wear the official Cub Scout uniform during all evening flag ceremonies, dinner, and campfire programs. Scouts participating in a flag ceremony at the start of camp each day are strongly encouraged to wear their Field (Class A) uniform shirt.

### **Youth Protection:**

The protection and privacy of our campers is taken very seriously at Camp Whitsett. All adult leaders and camp staff must follow BSA Youth Protection guidelines. Bathroom facilities are marked to denote youth and adult facilities. Youth should not enter the adult facilities and adult should not enter youth facilities. Similarly, youth may not bunk in the same tent as an adult unless the adult is their parent or guardian. You may take Youth Protection online at [www.myscouting.org](http://www.myscouting.org) or by checking out the DVD from the Anna Ruggieri Service Center.

### **Smoking and Alcohol:**

We understand that certain Adult leaders are smokers. BSA policy prohibits smoking in front of youth or in program areas in Camp. We have a designated smoking area in Camp in our upper parking lot, this is the only place adults may smoke. Alcoholic beverages are never permitted on any BSA property. Please help the camp enforce these rules by making sure all leaders and parents in your Pack are aware of this policy.

### **Homesickness:**

While most Scouts find themselves too busy with the fun and adventure of camp, homesickness can be a reality for Scouts who are new to the outdoors and unfamiliar with being away from home. We encourage every Scout who experiences homesickness to stay at camp, as overcoming homesickness often results in a strong sense of pride and achievement.

We have found that one of the strongest proponents of homesickness is the phone call. Even though cell phones do not usually work at camp, *Leaders are strongly discouraged from allowing Scouts to call home.* When a scout sees another scout calling, they will usually feel the need to

also call home. Instead, Scouts should be encouraged to write a letter home, talk about the fun they are having at camp, and challenged to stay another night before deciding to leave camp. Parents should talk to their children before they come to camp about their feelings about leaving home, and make a plan about how to handle homesickness.

### **Check-In Procedures:**

Our friendly staff will greet you as you arrive in the parking lot and assist you with the check-in procedures. Check-in begins at 2:00 PM on the first day. Assemble your Den/Pack in the parking area. Please use the "Check-in Checklist" in this guide to help prepare for the registration process. Please refrain from moving your gear to your campsite until advised by the Check-in staff. One adult leader in charge should proceed to the Business Office to submit the needed forms and any payments due. Any late arrivals should park in the parking lot and walk to the Business Office for Check-in and camp ID bracelet.

### **CAMP SWIM CLASSIFICATION RECORD:**

Camp Whitsett requires that all participants complete a swim classification test conducted by qualified aquatics instructors (see acceptable certification listings below). The swim test must be completed in Camp due to altitude and the water temperature.

### **SWIM CLASSIFICATIONS:**

**Learner:** No Test or did not meet Beginner classification in swimming ability.

**Beginner:** The participant enters the water by jumping in, feet first. Using an approved swimming style, swims 25 yards in one direction, stops, turns and swims 25 yards back to the starting point.

**Swimmer:** The participant enters the water by jumping in, feet first and swim 100 yards: Swim 75 yards in a strong manner using one or more of the following strokes: side, breast, trudgeon or crawl; swim 25 yards on back, using resting back stroke; show you can float, or if not buoyant, with just enough motion to stay afloat.
