

SIERRA SOUTH Whitewater Rafting

Lickety Split

\$79.52 PER PERSON

Before your river trip, a Sierra South professional river guide will provide you with a trip overview, paddling gear and a paddle talk.

Then it's anchors away for three miles of jam-packed action on Kern River rapids such as Little Mama, Big Daddy, Straight Shot, Freight Train, and Ewings.

Lickety Blaster

\$90.10 PER PERSON

This is our most popular trip. If you're itching for a longer Kern River whitewater escapade, try our Lickety- Blaster. First, "get your feet wet" on a Lickety-Split run.

Then, head back up river once more to put your newly honed whitewater skills to the test on a second Lickety Split run.

Full Day Merit Badge

\$185.50 PER PERSON

The Full Day Whitewater Merit Badge Program is a fun, challenging, and educational trip designed for Boy and Girl Scout troops. During the day, scouts will learn basic knowledge of river topics such as safety, hydrodynamics, necessary skills to navigate a river, swimming in current, and how to identify potential hazards. Lunch will be provided by Sierra South.
